kaal sarp puja muhurat 2026

In the Hindu tradition, worshipping at the latest time is one of the most important factors. Most worshippers seem to be searching for the muhurat or appropriate date and time to perform their **Kaal Sarp Puja Muhurat 2026**. It is very critical that the muhurat is taken into account since it is believed that completing any spiritual rituals during the time of a favourable position of planets (i.e. muhurat) will provide the greatest benefit spiritually and will yield the most impressive results.
